## **Bilateral Meetings**

- Wednesday 10:40 h - 13:00 h
- Wednesday 14:00 h - 18:00 h

### **Description**

U.Porto Innovation, the Technology Transfer Office of University of Porto, supports the link between University of Porto and Industry, acting and providing support in the fields of intellectual property, technology transfer, entrepreneurship & spin-off creation, and university-industry relations. It actively promotes and supports entrepreneurship and spin-off creation, as well as University-Industry relations by organizing competitions, training, workshops, meetings, study visits, and encouraging R&D collaborations. We manage and commercialize a portfolio of more than 200 technologies generated within the University of Porto. We are also interested in matching industry needs, procurements and challenges with University of Porto scientific and technological expertise in diverse areas from engineering, physical sciences, economics, management, law, health, architecture, arts, fine arts, psychology, nutrition, food technology, sports, etc.
