- Wednesday 14:00 h - 18:00 h

Description

The nanomedTAB - Nanomedicine Translation Advisory Board (www.nanomedtab.eu) is a free-of-charge mentoring program to assess, advise and accelerate promising nanomedicine projects to the market, based on the diverse experience of outstanding industry experts (www.nanomedtab.eu/index.php#experts).

With a total of 66 applications from 16 countries in EU and beyond, half of them currently benefiting from coaching, nanomedTAB is helping these projects to get to commercial application faster and more reliably.

The fifth edition of applications is now open until the 15th of April 2017, to companies and public and private research entities. Applications can be submitted at www.nanomedtab.eu/?apply. Selected projects will be invited to attend the TAB-In Sessions, a series of face-to-face meetings with experts, to be held on the 31st of May 2017, in Gothenburg (Sweden), in the framework of the NanoMed North Annual Meeting 2017.
