Bilateral Meetings

- Wednesday 10:40 h - 13:00 h
- Wednesday 14:00 h - 18:00 h

Description

HealthySystems (HLTSYS) aims to effectively promote security and robustness of its customers' Information Systems and Network Infrastructures. We deliver secure authentication solutions, integration systems for messages exchange between health information systems and single audit log systems aggregating different log sources. We provide cybersecurity systems and network infrastructure optimization, security and performance audits, verification of data quality and advice on data protection.
