

IBEB - Instituto de Biofísica e Engenharia Biomédica

<http://www.ibeb.fc.ul.pt>

## **Bilateral Meetings**

- Wednesday 10:40 h - 13:00 h

### **Description**

Research Institute devoted to brain and breast imaging and therapy procedures. Strong commitment to imaging of the brain and breast and on brain connectivity. Interaction with medical startups on medical devices (electronics) and psychiatry.

### **Organization Type**

University, Consulting, Research, Company

### **Areas of Activities**

### **Medical devices**

### **Information and Communication Technology**

### **Medical Services**

### **Imaging proceedings**

### **Offer**

## **Multimodality analysis**

IBEB can offer expertise on multimodality image analysis applied to biomedical problems ranging from cellular to organ levels in particular in the areas of brain and breast imaging.

**Keywords:** Multimodality Imaging Image analysis Image reconstruction

### **Cooperation Offered**

1. Research co-operation

### **Cooperation Requested**

1. Technical co-operation
2. Research co-operation
